

## PLC & Human Machine Interface

Tightly Integrated Control & HMI  
Communications Networks  
High-Availability with Redundant Servers

Message Displays  
Control Systems

## Rockwell Automation Software

Change Management  
Information Solutions  
Production Reporting  
Network Management  
Analytics & Production Intelligence

Programming/Design  
Graphics/HMI  
Historian  
Troubleshooting

## Industrial Network Solutions

Wired & Wireless LAN/Ethernet Communications  
Industrial Control & Information Networks  
Industrial Network Assessments & Design  
Ethernet Monitoring Software and Appliances  
Infrastructure/Network Design & Products  
Converged Plantwide Ethernet (CPwE) Solutions  
Thin Client Hardware and Software  
Cyber Security Solutions

Fault Tolerant Servers

## Services & Solutions

Emergency Onsite Support  
Contract Spare Parts Solutions  
Plantwide Installed Base Evaluations  
Storeroom Optimization/Assessments  
PLC and HMI System Upgrades/Migrations  
Field Service Engineering & Troubleshooting

Drive Startup  
Lifecycle Evaluations  
Arc Flash Assessments  
Lockout Tagout Solutions

## Training Solutions

Onsite/Private Training  
Scheduled Training  
Learning+

## Drives & Power

Smart Motor Controllers  
Power Quality Products  
Industrial Control Products  
Push Button, Relays & Control Devices  
Motor Starting & Protection Devices  
Medium Voltage Starters/Drives

AC/DC Drives  
High Performance  
Motors AC/DC  
Custom OEM Panels  
Engineered Products

## Motion Control

NB-Nippon Bearing Linear Motion  
Servo, Spindle, Stepper Motors & Drives  
PLC-Based & Standalone Motion Controllers  
Allen-Bradley Linear Motors & Positioning Stages

## Sensors, Safety & Connectivity

Temperature & Pressure  
IO-Link (or Smart Sensors)  
Cordsets & Field-Attachables  
Ethernet Network Media  
Light Curtains & Safety Mats  
Laser Area Scanners  
GuardLink Technology  
Safety Relays & Contactors  
Safety Isolation Systems & Interlock Switches

Safety PLCs  
RFID Tracking  
Photoelectric  
Laser  
Proximity  
Ultrasonic  
Contact Type

AUTOMATION SOLUTIONS  
Oregon • Washington • Alaska

## VP of Automation

**Gary Peterson** 541.799.3857  
VP of Industrial & Automation Sales  
gary.peterson@northcoast.com

## Marketing & Training

**Stacey Hawley** 541.799.3859  
Team Leader  
Oregon/Washington/Alaska Territory  
stacey.hawley@northcoast.com

## Product Sales

### PLC & HMI

**Craig Hawks** 541.799.3860  
Oregon Territory  
craig.hawks@northcoast.com

**Craig Hoffmann** 503.335.9561  
Oregon Territory  
craig.hoffmann@northcoast.com

**Joel Reeves** 907.550.6713  
Alaska Territory  
joel.reeves@northcoast.com

**Bryan France** 206.812.3658  
Washington Territory  
bryan.france@northcoast.com

**Wray Price** 503.331.9010  
Oregon Territory  
wray.price@northcoast.com

### Software & Process

**Bruce Macdougall** 503.335.9515  
Oregon Territory  
bruce.macdougall@northcoast.com

**Jeff Ceruti** 206.812.3661  
Washington/Alaska Territory  
jeff.ceruti@northcoast.com

### Industrial Control & Sensor/Safety

**Jeremy Lamer** 503.335.9557  
Oregon Territory  
jeremy.lamer@northcoast.com

**Troy Wiggins** 206.607.2537  
Washington/Alaska Territory  
troy.wiggins@northcoast.com

### Engineered MCCs

**Scott Jennings** 206.812.3692  
Washington/Alaska Territory  
scott.jennings@northcoast.com

**Rob Villa** 541.799.3864  
Oregon Territory  
rob.villa@northcoast.com

### Drives

**Kris Johnston** 503.335.9558  
Team Leader  
Oregon Territory  
kris.johnston@northcoast.com

**Chris D. Carter** 206.812.3669  
Washington Territory  
chris.d.carter@northcoast.com
