

OneCart Solutions

FIXTURE CARTS

As part of our OneCart solutions, we offer you fixture carts. These carts allow you to unpack, visually inspect, and move ready-to-install fixtures on a work site with ease—without the cardboard packing.

Focus on your core competencies

- Eliminate the need to pick up materials
- Reduce idle time for installation workers
- Drive on-time performance and increase customer satisfaction

We can stock, repackage, and replenish materials at your job location daily with your customized inventory according to your digital release request. The request is done easily with our barcode scanning feature in our mobile app.

American-made from heavy-gauge steel our pipe carts were designed by electricians who understand job site needs for safety, security, efficiency and durability. With a capacity for (12) 2' x 4' or (24) 2' x 2' fixtures, this cart also offers a high-grade wool felt to prevent fixture scratches and scuffs. It is perfect for new construction or a retrofit projects!

**Because we understand that your most valuable asset is time,
we deliver material management solutions that make it easy
for you to get what you need, when you need it!**
