

# OneCart Solutions

## ALL PURPOSE CARTS

With our all purpose carts you get amazing amount of flexibility when stacking Linear Fixtures, EMT Bends, or other long or odd-shaped materials to be moved around on the job site!

### Focus on your core competencies

- Eliminate the need to pick up materials
- Reduce idle time for installation workers
- Drive on-time performance and increase customer satisfaction

We can stock, repackage, and replenish materials at your job location daily with your customized inventory according to your digital release request. The request is done easily with our barcode scanning feature in our mobile app.

American-made from heavy-gauge steel our all purpose carts were designed by electricians who understand job site needs for safety, security, efficiency and durability. This cart has adjustable slide-out arms, onfigurable cross supports for multiple levels, and telescoping end arms making it perfect for new construction or retrofit projects.

**Because we understand that your most valuable asset is time, we deliver material management solutions that make it easy for you to get what you need, when you need it!**
